PAID

All Estimates are valid for 30 days from date it was written up.

Once the job is scheduled any changes may change your install date

You have 7 business days to collect your takeoff parts once a job is done, after that they become the property of the shop.

All sales are final for ordered in parts and custom items. In stock items are subject to a 15% restock fee plus CC fee's.

ACTIVITY	QTY	RATE	AMOUNT
17121			
A-PILLAR, FULL, TRIPLE, 2-1/16", SILVERADO/SIERRA 14+			
Aeroforce Gauge Display color blue, face color black, bezel color black	1	████	████
Labor installation estimate- assuming there is a boost port on blower, and extra bung in exhaust. If not we will have to add one and additional charges will apply.	5	████	████
shop supplies wiring materials	1	████	████
If racing around or desert racing put in 100 octane to give it a higher margin of safety, for a full tank we recommend 6-7 gallons
